COMPANY PROFILE

LEAFKOL2rev0

WHO WE ARE

OVER 10 YEARS OF SUCCESS IN NUTRACEUTICAL MARKET

Kolinpharma® is an Italian "innovative SME" operating in the nutraceutical market and specialized in the **Research and Development of unique, innovative, patented and multi-certified products**, developed for the neurological, osteo-articular and uro-gynecological fields.

To date, we celebrate more than 10 years of successes thanks to our product's portfolio that is made with **high quality and technologically advanced raw materials**.

All the products are validated by **in vitro and clinical studies**, with the aim to support Health Care Professionals during patients management and are presented by a qualified network of Medical Sales Representatives

Kolinpharma® is a Benefit Company, certified B Corp.
